Dear Mr. Moore:

We are pleased to inform you that you have been selected by your peers to be included in the 2005-2006 edition of *The Best Lawyers in America*[®].

Best Lawyers has come to be regarded – by both the legal profession and the public – as the definitive guide to legal excellence in the United States. *Best Lawyers*[®] has been featured in national newspapers and magazines, including *The New York Times*, *Forbes*, and *The Washington Post*, and is the basis of more than 50 “best lawyers” features in regional newspapers and metropolitan magazines every two years. In addition, American Lawyer Media has chosen our lists to be excerpted in *Corporate Counsel* magazine, calling *Best Lawyers* “the most respected referral list of attorneys in practice.”

Because *Best Lawyers* is based on an exhaustive peer-review survey in which 16,000 leading attorneys throughout the country cast more than half a million “votes” on the legal abilities of other lawyers in their specialties, and because lawyers are not required to pay a fee to be listed, inclusion in *Best Lawyers* is considered a singular honor.

As part of our continuing effort to keep current with legal practice, the book will also include two new specialties: Alternative Dispute Resolution and Gaming Law.

Meanwhile, *Best Lawyers*' online presence continues to grow. Since it was launched three years ago, the site has received more than two and a half million hits and responded to over 1,110,000 requests for lawyer searches. More than 4,200 listed attorneys, representing more than 500 law firms, have linked their firm web pages or bios to BestLawyers.com.

Again, our congratulations on being chosen by your fellow attorneys.

Sincerely,

Steven Naifeh
Editor-in-Chief
